

OHV/ATV WARNING FROM THE SHERIFF'S OFFICE!

The Sheriff's office spends a lot of time chasing down reports of OHVs (ATVs, unlicensed motorcycles, and 4 wheelers) on the county roads. It is illegal, regardless of age of the operator, for OHV/ATVs to be operated on publicly maintained roads, including publicly maintained subdivision roads. It is also illegal for any unlicensed person under the age of 16 to operate an OHV on any public property including US Forest Service. Most recently a 12 year old child was involved in an accident with a pickup truck on a county road. All OHVs must be trailered or hauled to all locations for operation. Any person, regardless of age, caught riding an OHV on county or state maintained roads will be issued a summons into court. The parents allowing any unlicensed person under the age of 16 to operate an OHV on a public roadway will also be summoned into court.
